1919
By 1919, a large mine was in operation mining Ozcerite. It was called the wax mine & was located east & slightly south of the townsite. This mine employed from 12 to 150 men at various times—in the mine & mill.

These facts made Soldier Summit important to the Utah economy.

*"For behold, this life is
the time for men to prepare
to meet God; yea, behold
the day of this life is the day
for men to perform their
labors."*
